**<https://sssandtadsfa.my.site.com/familyportal>**

**School Code: 2736**

Levey is committed to providing a very high quality education to all families who seek a school community that reflects economic diversity. The tuition for the 2023-2024 school year is \$15,000.00 for full-time (PK-8). Tuition is set by the Board of Trustees each year.

**No child is ever denied enrollment because of a family's inability to meet tuition.** Tuition assistance is available to all families who need it. The financial aid process is always separate from admissions and re-enrollment decisions. We encourage families to apply for a tuition amount that best matches their ability to pay. We rely on every family to pay the full amount they can reasonably afford.

### **Please note:**

- The financial aid process begins with submission of the application directly to our third party, non-profit organization who most independent schools use called School and Student Services, or SSS/NAIS. This independent agency analyzes a family's financial data and calculates needs. Their recommendation is forwarded to our Financial Aid Committee which then makes the award. This process is confidential. No parent of current students has access to information submitted by families to SSS/NAIS.
- A family seeking assistance must complete an application online at a secure website: <https://sssandtadsfa.my.site.com/familyportal>
- In order to receive the maximum aid for demonstrated need, you must file the appropriate application and documents in a timely manner. The deadline for re-enrolling students is February 12, 2021.
- The application consists of the Parents' Financial Statement (PFS) and a signed photocopy of the tax return (IRS 1040). Financial aid awards will not be considered final until the application is complete and required tax forms are submitted. If the 2020 tax forms are unavailable, you may use your 2019 form and information.

Applicants will be notified of their award by email or letter. The current cost of the on-line application for SSS is \$49. Please do not mail any paperwork to SSS/NAIS if this fee has not been paid or waived—they will not save anything if they have not received payment first. Please contact the school office for more information.

**Most important, when you apply please use our school SSS Code 2736 and the name Levey Day School.**
